

Refill Cafe is both a full-service restaurant and the on-the-job training site for the Refill Jackson Initiative (RJI), a nonprofit whose mission is to empower young adults, ages 18-24, so that they are more confident, better equipped, and motivated to enter into, navigate, and remain in the workforce. RJI pursues our mission by conducting 10-week training programs during which participants learn basic necessary job skills in the classroom and practice those skills in Refill Cafe. After graduating from our program, participants receive 10 months of follow-on support, including paid internships, linkages to full-time employment, and opportunities for further education. Up to seven trainings of 12 to 16 participants each will be held annually.

Thank you for having lunch with us today! By dining at Refill Cafe, you support our mission. To stay updated, follow us on Facebook (Refill Cafe) and Instagram (@refillcafejxn). To donate, please visit our website [www.refillcafejackson.com](http://www.refillcafejackson.com) and click the "donate" button.
